DISCIPLINARY INFORMATION

As it relates to past, current or prospective clients, the Advisor has not been involved in legal or disciplinary events, been involved in arbitrations or been subject to self regulatory organization or administrative proceedings.

OTHER BUSINESS ACTIVITIES

The Advisor is a licensed insurance agent. The Advisor may offer insurance products and receive normal and customary commissions as a result of insurance sales. Conflicts of interest may arise when insurance sales create an incentive to recommend products based on the compensation the Advisor may earn and may not necessarily be in the best interests of the client. In order to minimize this conflict of interest, the Advisor places client interests ahead of the Advisor's own interests and adheres to our firm's Code of Ethics as well as clearly explains this conflict when recommending any such products to our clients. Clients are informed they are not obligated to purchase these products.

ADDITIONAL COMPENSATION

As a result of the Advisor's activities, the Advisor will be, in certain situations, eligible for additional incentive-based compensation based on sales, accounts opened, or referrals. This compensation can be delivered in many forms including but not limited to cash bonuses, training, trip expenses, or payment of software costs.
