Other Business Activities

IAR is a licensed insurance agent. In this capacity, IAR may offer fixed life insurance and annuity products and receive normal and customary commissions as a result of any purchases made by clients. In addition, Brookstone Wealth Advisors supervises the investments recommended by IAR to ensure those investments are suitable for the particular client and consistent with their investment needs, goals, objectives, and risk tolerance, as well as any restrictions previously requested by the client. Brookstone Wealth Advisors periodically reviews advisory activities of IAR, which may include reviewing individual accounts and correspondences (including e-mails) sent to and received by RUSSELL F HACKMANN.
